

# MOBILE FRIENDLY FORMS

The CloseSimple Mobile-Friendly Forms are customizable, flexible, mobile-friendly forms sent via the Collaboration Portal to ensure that you get the information you need and are able to close on time.

- **Mobile-Friendly:** Forms are designed with a mobile-first approach.
- **Reminders:** Parties receive reminders every 24 hours for 10 days until they complete their forms
- **Auto-Completion by Role:** Forms can be configured so if one seller completes the form, they can be auto-completed for all other sellers.
- **Configure by State, Region, or Brand:** CloseSimple is designed to include configuration for variations of forms based on state, region, brand or any other way you operate.
